LAS VEGAS – Today, AFI announced an extensive run of 2022 US headline tour dates in support of their recently-released 11th studio album *Bodies* via Rise Records. The Bodies Tour 2022 will make a stop in Las Vegas on February 12, 2022 with support from fellow goth band Cold Cave, at the newly renovated and world-class Theater at Virgin Hotels Las Vegas, part of Curio Collection by Hilton. Tickets will be on sale to fan club members this Wednesday, June 23rd from 10 am-10 pm local time. Local pre-sales will take place this Thursday, June 24th from 10 am-10 pm local time, and the official on-sale begins on Friday, June 25th at 10 am local time.

On June 11, 2021, the band released their highly anticipated 11th studio album, *Bodies*. Critics have hailed *Bodies* as ranking high in AFI's body of work, with the likes of [SPIN](#) praising the band for "fusing some experimental new steps into the tried and true AFI formula," and calling their music "one of the most distinct and recognizable sounds today." [Kerrang!](#) praised the band's continual inventiveness, saying that "Throughout, even during the more familiar-sounding songs, keyboards and electronic beats pop up, leaving the whole thing with a feeling of gutter-glitter that underlines Davey's intent with the soul of it." AFI's unshakeable connection with their audience is a testament to the band's knack for reinvention, renewal, and exploration, anchored by an unblemished authenticity. AFI songs are embedded in the spiritual DNA of a legion of supporters and *Bodies* is further demonstration of AFI's unwavering commitment to artistic exploration, a dark conjuration of an uncapturable muse. The album was produced by the band's own **Jade Puget**, mixed by **Tony Hoffer** (M83, Phoenix, Silversun Pickups), and mastered by **Vlado Meller** (Oasis, Pink Floyd).
