About Casa Calavera

Casa Calavera is a culinary and cantina concept created by global hospitality company Tao Group Hospitality, featuring a relaxed open-air, feet-in-the-sand atmosphere and interiors that feature traditional Mexican calavera art and an authentic Día de los Muertos theme at its core. Casa Calavera creatively combines authentic Mexican cooking techniques, recipes, and ingredients with contemporary, innovative and sophisticated twists. Authentic furniture pieces and candelabras nod to old-world Mexico with an array of architectural finishes, including Mexican tiles, pebbles and stacked stone. Enter the restaurant via a corridor with altars tucked into niches that pay homage to its namesake - creating a dramatic sense of arrival and set the tone for this fun and energetic yet curiously mysterious venue that will take you back in time to historic Mexico. Casa Calavera Los Cabos opened in San Jose del Cabo, Mexico in early 2018, then followed in 2020 by a first-of-its kind virtual culinary pop-up in London. Casa Calavera Las Vegas opened in March 2021 inside Virgin Hotels Las Vegas.
