**REX ORANGE COUNTY ANNOUNCES ONE-NIGHT-ONLY PERFORMANCE
AT THE THEATER AT VIRGIN HOTELS LAS VEGAS, MAY 2022**
Part of 2022 North American Tour

Tickets on Sale Friday, February 4, 2022 at 10 a.m. PST

LAS VEGAS (January 28, 2022) - Today, British singer-songwriter Rex Orange County announced a performance on Friday, May 27, 2022 at The Theater at Virgin Hotels Las Vegas, part of Curio Collection by Hilton. The upcoming Memorial Day weekend engagement was announced as part of his 2022 North American tour. **Tickets will go on sale to the public on Friday, February 4, at 10 a.m. PST.**

The tour announcement arrives on the heels of the recent announcement of his new album *WHO CARES?*, due March 11, 2022 via Sony Music, and the lead single and video "[KEEP IT UP](#)." The album will mark Rex's first release

since 2020's *Live at Radio City Music Hall* EP taken from his two sold-out shows at the venue in 2020 just before his international *Pony* tour was cut short in Berlin due to Covid-19. As it turns out, however, that tour being cut short is part of the genesis of this album. After spending the bulk of 2020 quarantined back home in the UK, Rex made the trek to Amsterdam that fall to record with Benny Sings, with whom he crafted the 2017 platinum-selling breakout single "[Loving Is Easy](#)."

What started as sessions without expectations turned into an incredibly productive 48-hour window of recording with Benny, prompting a follow-up trip to Amsterdam. The subsequent 10 days of work together produced his fourth album, made in close partnership with Benny, that is a playful record by an artist in a playful mood. The album also finds Rex reunited with one of his earliest champions, Tyler, The Creator, who contributes a verse to "OPEN A WINDOW," which marks the first time the two have collaborated since Tyler's 2017 album *Flower Boy*.

For more information on this performance or for news from The Theater at Virgin Hotels Las Vegas, visit www.virginhotelslv.com. Virgin Hotels Las Vegas proudly offers complimentary self-parking.
